ABOUT US

Vilatrade 2009 SL is formed by an experienced team of professionals with more than 30 years of experience in the seafood business. We have learned this business from all the areas such as shipowner companies, processors, distributors as well as the import-export management.

EXPERIENCE AND COMMITMENT

Our experience is reflected, not only in the quality of our products which we treat with the greatest care in our facilities, but also, in the personal and exquisite way that we care our customers. When they contact us they know they will get the right answer to their needs.

We have our own facilities in which we produce the highest quality product: the cephalopods, mainly octopus and squid
